## Join now!

We have decided to invite our supporters and everyone interested in the arts to become members of Creative Napier. We invite you to join now at our special introductory annual subscription of \$5.00. You will become a fully participating part of Napier's creative community arts council.

Support from the community is vital to help us continue our work of promoting local art and local artists. The arts are for everyone! Everyone should be involved! Now you can be!

We will be looking for support on, and help at, our major 2009 – 2010 Summer festivals. These are the Summer Concert Series "Keeping Napier Beautiful"; Bay Fest Youth Festival with music and dance for the young; and the Children's Art Festival for the even younger.

When you join Creative Napier you will be added to our e-mailing list for a regular up-date on local arts events and be sent special offers made by members of the arts community. You will also be invited to our planned series of discussion evenings on all sorts of arts topics and there will be opportunities for exhibiting your own work.

We are committed to enriching and enhancing the Creative Spirit of Napier – join now and help us do just that in the way that you feel passionate about.
